CALL TO ORDER/INTRODUCTIONS

Chair Hill called the meeting to order at 4:35 p.m. with a quorum present.

DISCUSSION and ACTION ITEMS

A. First Meeting of the Year Business

Motion 1 (5/0/0): Commissioner Wiseman moved to nominate Commissioner Hill to serve as Chair and Commissioner Kaseberg to serve as Vice Chair for calendar year 2013. Commissioners Hill and Kaseberg agreed to serve. Commissioner Burton seconded the motion which passed unanimously.

B. Airport Art Program

1. Stearman Bi-Wing Plane: Ms. Dickie said the owner of a Stearman bi-wing plane, a longtime hangar tenant, has expressed interest in donating it to the Airport for a permanent art display. The proposal is to suspend the plane so that it appears to come out of a flat wall. Airport staff are researching the safety, feasibility, location, assembly/installation costs, and history of how this plane was used. She recommended forming a subcommittee to work on logistics, community support, and fund-raising if RCAPP supports this project. The Airport Commission and City Council would also be involved.

Ms. Rohach passed around historical photos of a Stearman bi-wing plane. Ms. Dickie said that a series of such photos, mounted on the wall leading up to the plane, would help educate the public about the Airport's role as an Army Airforce Base in the 1940s. One of the hangars from that time is still in use by Butler Aviation.

Commissioner Cheshire arrived at 4:45 p.m.

Commissioner concerns included *this plane's connection to the Redmond Airport, weight of aircraft, original aircraft schematics* (Flight Museum in Seattle), *grant possibilities* (manufacturers of aircraft parts), *mural on wall behind aircraft* (student involvement), and *community education* (school tours).

By consensus, Commissioners agreed that this was a worthwhile project to pursue.

- 2. Peak Finder Ribbon Cutting:** Ms. Rohach said the Airport will host the Redmond Chamber of Commerce Coffee Clatter on March 29, 2013, the first time it has done so. She noted that Ms. Richards previously agreed to assist with press releases and a flyer.

Commissioner concerns covered *donations to the art program (jar), parking, and invitations*. Vice Chair Kaseberg agreed to assist with flyer design.

- 3. 50th Art Show:** Ms. Rohach handed out contracts, applications, and W-9 forms for "The Power of Red" art show which will start on January 21, 2013. Chair Hill and Vice Chair Kaseberg will be two of the judges for this show. The website has been updated and information about this show will also be included on the Peak Finder Ribbon Cutting flyer. No date has been set for the next art show, which is still in the planning stage. Under discussion is the theme and changing the artist contracts to allow the proceeds to be used for display improvements and promotion of art. Using display cases would allow more variety of art media and better security for the pieces displayed.

Chair Hill said RCAPP would also like to put an Art Around the Clock pedestal at the airport.

Ms. Watkins volunteered to distribute materials for "The Power of Red" show at the January 15 meeting of the High Desert Society of the Arts.

C. Oregon Arts Commission – Arts Build Communities Grant

- 1. Artist in Residency:** Ms. Abslag reported that RCAPP applied for a \$4,000 grant but was awarded only \$2,800. The funds will be used to bring Ryan Beard into the school district. Mr. Beard is very excited about working with high school students to put an art piece at the Yew Avenue roundabout. She asked if elementary school students would also be involved in this project.

Chair Hill reported that Heather Richards is working with someone from Redmond High School to include this project in the curriculum.

Commissioner discussion covered students assisting in a *photographic progress report of this project* and plans by Ridgeview High School's TV station to do a *student documentary*.

Ms. Abslag said that she and Chair Hill took photos of student progress during Jerry Werner's work on the Centennial Park clock tower. These photos were submitted with the final report to the OAC.

E. Artist Registry

Ms. Gamer presented a sample home page that could be done through zhibit.org and an application form for RCAPP's Artist Registry website. She discussed the purpose of the interactive website, how it would work, potential members, annual registry fees, free access by the public, website and domain name setup and maintenance costs, and interactive calendar.

Commissioner concerns included *registry sign-up fees* (amounts, frequency, payment processing strategies), *payment systems* (Square-Up, credit cards, checks), *website design/function, linking with websites/blogs of registry artists*, and *planning timeline*.

D. Fund-Raising Project

Art Around the Clock: Ms. Richards reported that the 6th Street art pedestals will be built and ready for sculpture installation this summer. Ms. Abslag said that the Requests for Proposal were almost ready to go out. Discussion covered *sculpture installation on original and 6th Street pedestals, design and timing of brochure printing, issue date of RFP, and whether current artists could resubmit their pieces* (continuing artists would not receive another \$750 stipend, since their sculptures are already installed).

Passport to the Arts: Chair Hill recommended changing the date to August 17, 2013 (3rd Saturday). Discussion points included *artist recruitment, publicity* (cross-promotion of RCAPP events), *event activities* (walking tours), *marketing collateral design/printing, and planning/production timeline*. Commissioners agreed **by consensus** to meet at 4:30 p.m. on January 30, to start planning the 2013 event. Commissioner Burton volunteered to recruit artists. Vice Chair Kaseberg volunteered to assist with design and printing of a flyer and other marketing collateral. Commissioner Wiseman volunteered to recruit sponsors.

Rockchuck Subcommittee: Ms. Richards said Kim Chavez offered to make and donate a life-sized clay rockchuck model. Discussion covered *number of models, poses, artist recruitment for decoration, operational costs, sponsorships, marketing* (decorating contest, coordination/cross-promotion with Rockchuck Ramble). Commissioners Cheshire and Hill volunteered to serve on the subcommittee. Ms. Abslag said she would help schedule a planning meeting.

F. Approval of Minutes

Motion 1 (5/0/1): Commissioner Cheshire moved that RCAPP approve the December 18, 2012, minutes as written. Commissioner Kaseberg seconded the motion which passed with Commissioners Burton, Cheshire, Hill, Kaleialoha, and Kaseberg voting in favor and Commissioner Wiseman abstaining due to his absence from that meeting.

LIAISON COMMENTS (None)

CITIZEN COMMENTS
