This permit is issued under OAR 918-309-0000. The applicant agrees to make only restricted energy installations (100 volt amps or less) under this permit and to do the following:

1. Only use electrical licensed person to do installations where required. (Certain residential and other transactions are exempt from licensing. These have asterisks (*). All others need licensing.)
2. Call for an inspection when all the installations under this permit are read for inspection.
3. Purchase separate permits for all installations that are not ready for inspection when the inspector is out to inspect under this permit.
4. Assume responsibility for assuming that all corrections required by the inspector are done, and
5. Assume responsibility for calling for a final inspection when all of the corrections are completed.

The person signing this permit must be the applicant or a person authorized to bind the applicant.
