Awesome!

Thank you! Great Dinner!

Thank you!

Thank you :)

Very good experience

The place we can be in the midst of tranquility!!!

Great Service! We love our usual servers - Evan, Dustin & Brittany. Would love to see some menu changes. We enjoy the specials - but it would be great to see seasonal salads, new apps (hummus & veggies, Charcuterie, etc) and maybe some new dinner options (steak, chicken marsala, etc) - Just some ideas to keep it fresh. Thank you Juniper Team!

Great meal!

Hank was great!

Came for dinner. Great Jazz band atmosphere. Thx!

Wonderful gluten free burger - Thanks

Great prime rib and music!

Jazz - Prime Rib is terrific :)

Thank for letting me sneak in for prime rib tonight!

Haven't played yet, but I love the course. Great People. Great place - Thank you!

Need more wait staff on Wednesday during lunch (because of Kiwanis and Ladies Day)

Love this place

Excellent

When you eat here a lot, the menu gets very limited. Would like to see some different options for dinner entrees - steak, chicken, pasta dishes.

Hank is a pretty rad dude!

Great waitress!

Great!

Best in the West

Can't beat this place. Love ya all. Maybe I'm in a good mood today...No Really.

Hank was awesome and the food was great! I did not feel as if there were other customers. Ryan was great as well and very personable.

Hank was a great server.

Love the view. Ryan was great - look forward to the next time.

Good Waiter

Hank was terrific! Food is always great

Hank is one of the finest servers I have ever come across

Hank is da best

Great Easter brunch and egg hunt!

The food was excellent. However, I would have preferred provided tinfoil hats to increase my overall dining experience. Why tinfoil hat you may ask? Well..I'll tell you. In order to intercept the mind controlling waves from the alien spaceships (on the moon of course) we must reflect them back at the aliens using tinfoil. The tinfoil protects the brain from harmful mind controlling signals. If you want to stay safe (and sane) you must protect yourself. I forgot mine, so it would have been nice to have one provided for me. I am now vulnerable to the alien brain waves so if I start to not make sense, it's the aliens. The food was excellent though I especially like the @ ~) & ^ >

Just came in for a bite to eat

Was an event - your staff was great.

Thanks Nicole!

Took to long to get the food

Long wait, but server did bring us chips & salsa because of the long wait, which was nice.

Happy hour specials

Great waitress!

The value of food/service is excellent! Brittany is the best.
