Plan Review for Plumbing Installations

Plan review is required for any of the following.

Please check all that apply:

- Any new commercial building with a water service 2-inch and greater, except a 2-inch system designed and stamped by a licensed Oregon engineer
- New exterior plumbing site utilities for any complex structure as defined in OAR 918-780-0040
- Medical gas and vacuum systems for health care facilities
- Any multipurpose fire sprinkler system
- Any complex structure as defined in OAR 918-780-0040

Submit 2 sets of plans with any of the above

Isometric or riser Diagram

- Isometric or riser diagram is required for new buildings that meet the requirements above.
